**Northern Synod's Prayer Cycle for 2009.** Each day we are asked to pray for specific people, activities and fellowships within the Northern Province. *Thought for the month: 'I suppose that every age has its own particular fantasy: ours is science. A seventeenth-century man like Blaise Pascal, who thought himself a mathematician and scientist of genius, found it quite ridiculous that anyone should suppose that rational processes could lead to any ultimate conclusions about life, but easily accepted the authority of the Scriptures. With us, it is the other way around ... Malcolm Muggeridge, Jesus Rediscovered. Today we pray for the fellowships of: St John's Wideopen; Rev Philip Gary; Horsley & John Knox, West Denton; Rev John Paul.*

**Change of Date** – Please note that **Discovering Guisborough:** scheduled for Sunday, 24<sup>th</sup>, May has now had to be changed to **Sunday, 31<sup>st</sup>, May.** This event will be walk around the town - when we can learn about the detailed history and interesting, and little known features of the borough. **Leader: Roger Darnton.** We meet with Roger for coffee, after the service, followed by the guided walk starting at around 11.00am. The walk will take about an hour - plus. (Weather permitting)

**Acts – Then and Now:** Synod have initiated a project for every church in the North East to put pen to paper and produce “Acts – Then and Now” – a hand written copy of the Acts of the Apostles (Acts Then) and a story of God’s activity in each church of the Synod (Acts Now) plus a drawing or illustration for either part. The aim is to have the whole work completed and ready for the next Synod in October. We at Guisborough have been allocated Chapter 26: 1-11. So do we have any volunteers to do this work?
